

Mini Golf

Aug 3 @ 1-3pm

**Come and play our unique mini golf course
created by our own campers!**

How does this work?

- We will hand out park maps with the hole locations and score cards from the store. Players will then play and hand them back in with scores for prizes
- Someone will be sitting at each mini golf hole
- Putters and golf balls will be at each hole and not carried around with the players
- Remember this is for fun so take your time, cheer on your friends and

HAVE FUN!
